

Partnership & Visibility Services

Exciting Opportunities to Raise Your Profile & Generate Sales

Vitalis 2019

Outstanding visibility for your brand: join us as a partner at Svenska Mässan exhibitions and venues.

Svenska Mässan attracts thousands of **influential exhibitors** and **visitors with buying intentions** to its B2B trade shows and exhibitions, and to its superb venue at the heart of Gothenburg. These provide an excellent platform for you to **stand out from the competition** and consolidate your brand or your company's position as a market leader and innovator.

Svenska Mässan is itself recognised as a leading brand. Partnership therefore provides fantastic opportunities for joint content programmes, communication and marketing.

We offer a broad range of **marketing packages**.

Alternatively, we are delighted to work with you to **tailor a solution to meet your specific objectives**, whether this is to raise your company's visibility, promote your brands, market your products and services or make concrete offers to our visitors. Together we will create a platform that will provide the optimum fit for your requirements and your budget, and **will raise the commercial return on investment** of your participation.

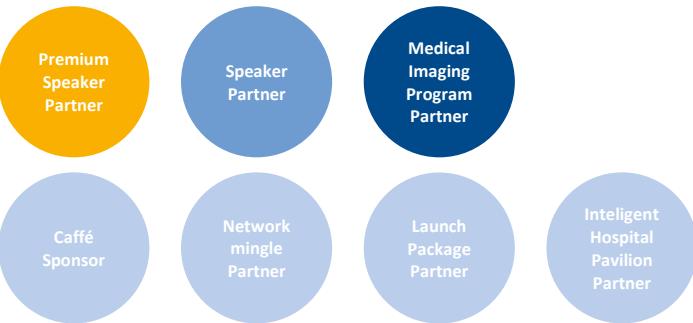

Some of our services are offered exclusively to one or a few companies, while others are open to several.

Partners in success: at Sweden's most prestigious venue!

Here is a brief overview of all the exciting opportunities we offer.

Seminar and show Programme

Advertising in the printed seminar programme is especially ideal for **thought leaders and innovators**. It presents editorial content, programme information, speaker bios, schedules, etc.

The programme is circulated to exhibition visitors and conference attendees as well as being published in press releases and distributed onsite, inside and outside conference rooms and at other strategically well-chosen locations at the venue.

Publish articles and advertise in the trade show or exhibition's official magazine. It gains **broad attention with articles and useful content** such as information about programmes, speakers and activities, the event schedule, floor plan, exhibitors, etc. It is circulated to registered visitors, the trade press, trade associations, partners and at other events, then distributed onsite in the entrance hall, on the registration and information desks and at other strategic locations both inside and outside the venue and around the halls.
