Opening Keynote

[Monday May 22, 3pm-5pm](#)

Jakob Forssmed

Tom Lawry

David Novillo Ortiz

On Monday, we invite you to an Opening Keynote in the Congress Hall. Among the speakers: Minister of Social Affairs, Jakob Forssmed, Tom Lawry, an internationally known author and expert in AI and machine learning and David Novillo Ortiz, Regional Adviser Data and Digital Health Division of Country Health Policies and Systems, WHO. The seminars are followed by a mingling session hosted by the Region Västra Götaland. Opening Keynote session is open to everyone visiting the exhibition.

eHealth Matchmaking

[Tuesday May 23, 1pm-3pm. Wednesday May 24, 1pm-3pm.](#)

[Thursday May 25, 1pm-2pm. Matchmaking & Event Area.](#)

Welcome to Scandinavia's largest eHealth matchmaking event. The matchmaking event is exclusive to conference delegates, investors and exhibitors.

A great pitch@vitalis

[Tuesday, May 23, 11am-12:30pm. Matchmaking & Event Area.](#)

At A great pitch@vitalis, top innovative Healthtech companies showcase new digital healthcare solutions. Attendees can listen to short pitches where approximately 10 companies present their innovations, followed by questions from a distinguished panel. The activity is open to all exhibition visitors.

Open stage

The Open stage three day programme focusses on welfare technology, accessible living environments, self-monitoring, and home care. The stage is located in the exhibition area and the activity is open to all exhibition visitors.

The Open seminar area

Welcome to take part in the sessions at the Open seminar area at the Vitalis exhibition. The lectures are available for both exhibition and conference visitors. Many of the lectures relate to the theme of “Caring is Sharing – Exploiting Value in Data for Health and Innovation”. This is also the subject of this year’s Medical Informatics Europe conference which is being held in parallel with Vitalis this year.
